

# Teacher Needs-Math~Conditioning (PE)

## Mrs Hinton

- -Any normal classroom supplies  
(pencils, pens, paper, markers, rulers, pencil sharpener, etc.)
- -Scientific Calculators (Texas Instruments or Casio - 10 would be great!)
- -Motivational type posters/math decorations to hang on the walls (I don't have any)
- any exercise equipment like hand weights, sports equipment, workout DVD's, etc.  
Anything to help me get started with the PE class.
