

July 2019

Dear Parents,

As part of your GSAA information packets for the upcoming year we have included a **Free and Reduced Lunch Program form**. This form is something the State of NH is asking that all parents fill out so that GSAA can get access to Title I and Title II funding to supplement its educational budget.

GSAA does not have a formal lunch program, nevertheless, families at GSAA who would normally qualify for the free and reduced lunch program in a public school, will have their mandatory art fee of \$300 waived for the 2019-2020 year—if the form is completed. This mandatory fee is required to pay for art materials, music copyrights, theater props for plays, and for dance and theater costuming.

Please call the office and speak to Renia Friend, the Executive Administrator if you have any questions or concerns about the form.

If you want to take advantage of the waiver for the art fee you must complete the form by Friday, September 27, 2019.

Thank you in advance for helping us get these completed forms to the State. We appreciate your help and cooperation on this matter.

Regards,
